**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small business owner. I depend on my local carrier. I support broadband competition. And say NO to price hikes that will increase the cost of internet and telephone services. Broadband is crucial to my business. And local broadband providers are crucial to my community.
